

Hello Kim,

We just completed our first transaction together.

You Team did a great job. Everyone was friendly, knowledgeable and worked hard to provide excellent customer service.

As is sometimes the case in the Real Estate business we had a couple of little bumps in the road.

The way the LaBell Team dealt with these issues made all the difference.

I have done a few deals with other REO Teams...believe me your Team is superior.

I look forward to our next transaction.

Best Regards,

Bill Blevins
