The village of Brookhaven is one of our premiere custom building sites. While it is tucked away off of Five Point Road, Brookhaven is minutes away from Levis Commons, one of the city's most bustling gathering places. Additionally, Brookhaven boasts being a part of the Perrysburg School District, one of the best school systems in the state of Ohio. When you choose to be a part of the village, you are given the choice of 12 models, as well as the lot we build your home on. We take great care to ensure that the home we build for you is given every amenity you could ask for; things like granite countertops, maple cabinetry, and custom paint colors are included in every new home.
