Dear Patt:

I just wanted to thank you again for your superb handling of my latest real estate transaction. I was thinking way back to my first sale ten years ago—you listed my house on Thursday and by Saturday evening, I had a full priced offer that closed in only 3 weeks without a single snag. Wow!

And now ten years and 6 transactions later, you continue to provide excellent service from the listing through closing. I never have to worry about what is happening because you keep me informed every step of the way.

You know I recommend you to all my friends and I appreciate that you give them the same professional service you have always given me.

Thanks again. You will be hearing from me whenever I have a property to buy or sell.

Sincerely,

Pat Ferguson
